An IRS 501 (c) (3) non-profit organization

November, 2014

Dear Friends,

We would like to wish you all the best that this joyful holiday season brings, and thank you once again for your wonderful support of Holy Innocents Children's Hospital Uganda, which has enabled us to provide life-saving care to tens of thousands of children in Mbarara, Uganda.

We are enclosing a newsletter with the latest updates from the hospital, so you can see the great progress that has been made since we opened our doors in 2009. You'll read how Holy Innocents in April of this year surpassed 100,000 children treated, and hear of advances at the hospital: a new oxygen generation system, new facilities, new laboratory equipment, and more.

Equally significant, the newsletter describes how we're closing in on our goal of constructing the long-awaited and badly needed surgical center. We believe we will be able to break ground in mid-2015, if we can continue to receive support from wonderful donors like you. With the surgical center, Holy Innocents will be the only complete pediatric care facility in Uganda, and the major referral center for children in Mbarara, the rest of western and southwestern Uganda, and beyond.

We have always been an all-volunteer organization – no salaries, no rent, no fancy marketing. We are proud that since we began in 2007, 98 cents of every dollar donated have gone directly to the hospital and to the children of Mbarara. To accomplish this, we've partnered with universities, Rotary International, medical equipment providers and many others. We're sending our 12th medical & training mission to Mbarara in January 2015, led by board member Anita Hunter. Our goal has been and remains doing all we can to improve the health and lives of the children in Mbarara.

You play a critical role in enabling us to turn our goals into reality for these children and their families. If you are able to include us in your end-of-year giving and send back the enclosed envelope so we can start construction of the surgical center, we would be so appreciative!

We wish you a beautiful Thanksgiving and Christmas with your friends and loved ones....

Sincerely,

The Board of Directors of Holy Innocents Children's Hospital Uganda, Inc.
